TIP O' THE MORNING: Edith Gwynn says that Shirley Temple will retire from pictures, at least for several years, when her contract with David Selznick expires in June—or perhaps before that time.

About 1,500 high school musicians are being selected this spring to come to Madison to attend the annual solo-ensemble festival sponsored by the University of Wisconsin school of music and the Wisconsin School Music assn.

These singers and players will be chosen from among some 68,000 who are taking part in 22 district festivals throughout Wisconsin.

At these events, the bands, orchestras, choruses, smaller ensembles, and soloists receive ratings from judges. As in the past, the 1950 festival contestants do not compete against each other—rather, they try to reach fixed standards. Thus, there are no "first-prize" bands, for example, but there may be many "first division" bands in each district.

At each district festival, judges select outstanding soloists and ensembles from those receiving Division I ratings, and recommend that they attend the Madsion festival.

Here, judges from colleges and universities in Wisconsin, Minnesota, Iowa, and Illinois will judge these youngsters, giving them ratings and choosing some to present a festival concert. Usually, scholarships for the summer music clinic are presented to topflight performers.

THE BANK: A Milwaukee couple just missed winning $1,550 on the NBC television "Break the Bank" Wednesday night. Mr. and Mrs. Isadore Weiss got $500 for answering several questions, but lost the larger sum when they couldn't name a circus star who fell to death many years ago.

Ironically, the star to be named probably was the sister of a Milwaukee man. The network didn't give the answer, but it's likely it was "Lillian Leitzel." Miss Leitzel, who died in a fall at Copenhagen, Denmark, was the sister of A. G. Pelikan.

DANCE MASTER: The April meeting of the Dance Masters of Wisconsin, of which Leo Kehl is president, will be held Sunday, Apr. 23, in the Julia Kuhlig studio, Milwaukee. The program will include instruction for teachers, assistant teachers, and students.

BLUE RIBBON: "Twelve O'Clock High" won the March "Blue Ribbon award" of Boxoffice magazine, given each month by the National Screen council on the basis of outstanding merit and suitability for family entertainment. The council members are professional reviewers and members of civic and educational groups.

BOOK, MOTION PICTURE: "The Goldbergs," long-established favorite of radio, stage, and television, will be made into a book and a motion picture this summer. The movie may follow the story line of the book, which is to be a novel on the life of the fictional Bronx family, with all fresh material.

Gertrude Berg, author and star of the series, has signed a contract with Simon and Schuster for the book, which is scheduled for publication late this year. She also has signed a contract with Paramount Pictures for a film to bear the title of the first radio series more than 20 years ago, "The Rise of the Goldbergs."

Mrs. Berg will write the movie script in collaboration with Richard Nash of Paramount. Mel Epstein will produce the picture, which is due for fall release. The picture will be made while the radio and television programs are on vacation.

All the regular members of the cast are expected to go to Hollywood for the picture. Mrs. Berg is starred as Molly, with Philip Loeb as husband Jake. Eli Mintz is Uncle David, Larry Robinson is son Sammy, Arlene ("Fuzzy") McQuade is daughter Rosie and Betty Walker is yoo-hooing Mrs. Cramer. Worthington Miner produces the television show and Walter Hart directs. Mrs. Berg produces and directs the radio show.

Hanson Asks Delay in Rail Hearings

City Atty. Harold E. Hanson will ask for a 30-day postponement of the hearing before the Public Service commission (PSC) on the allocation of costs for installation of railway signal equipment on E. Washington ave., City Manager Howell said Thursday afternoon.

The hearing is scheduled before the PSC this morning.

According to Howell, the change is asked because the state highway department will include the signal equipment program in the development of a program for grade crossings.

The signal equipment will be installed on E. Washington ave., between Baldwin and First sts.

Sheboygan JP to Get Psychiatric Examination

SHEBOYGAN —(AP)— Harvey E. Teumer, Sheboygan justice of the peace who is charged with embezzlement, will be given a psychiatric examination.

Dist. Atty. John C. Buchen said a day-to-day adjournment of Teumer's circuit court arraignment had been granted by Judge Henry A. Detling pending the examination. The delay was sought by defense counsel.

Teumer, 50, will be committed to the Wisconsin General hospital at Madison for several weeks' observation, Buchen said.

The justice was arrested Mar. 10 on a warrant which charged him with embezzling $3,441 in fines and "fraudulently converting the same to his own use."

Shortages in his accounts were discovered by state auditors.

Teumer has been at liberty on $4,000 property bond since he was bound over to circuit court by Municipal Judge E. H. Puhr.
