TIP O' THE MORNING: Alfred Drake, the original Curly of "Oklahoma!," will substitute for Bob Crosby on the latter's NBC show at 9:30 p. m. Sunday (WIBA).

* * *

For the first time since the Haresfoot club began producing all-male shows, a woman is visible to the audience in the current production, "Good for the Girls."

Backstage, Haresfoot has always had women in its personnel, handling wardrobe and other details. And for several years Kathryn Hubbard has directed the dances, with the assistance of Mrs. William Burns.

Before the curtain goes up on "Good for the Girls," Don Voegeli conducts his orchestra in the overture — and there, among all those men, sits Merrilyn Hecht with her harp.

Miss Hecht has been a musician since she was 3 years old, when she started playing piano. At 8, she began with the harp; at 10, she played piccolo and flute, and at 12 she took up cello study.

Merrilyn spent five summers at the Interlochen music camp, playing solo harp with the orchestra and piccolo in the band. Last year, she attended Stephens college in Missouri, and helped direct the University of Missouri's musical show.

With all this experience as a musician, her ambition isn't to play—it's to be an arranger. She wants to do the orchestrations for musical shows.

While she studies theory at the University of Wisconsin music school, she also plays in campus musical organizations and is the pianist and harpist on Don Sinaiko's WIBA broadcasts Friday nights. As if this weren't enough, she's a member of the Wisconsin Union dance committee and of Alpha Epsilon Phi sorority.

'SUPERIOR' QUIZ KID: Superior is the word for 9-near-old Darice Richman, pianist and violinist who appears often on NBC's "Quiz Kids" program.

She recently won the rating of "superior" for the fifth straight year in the piano solo division of the annual contest conducted by the Federation of Music Clubs, and for the second year won the same rating for violin solo, concerto, and duo-piano. Darice will be piano soloist with the Chicago Civic orchestra in the 37th annual Youth festival in Orchestra hall, Chicago, May 7.

Norman Corwin's hour-long radio documentaries will have tops stars in their casts including Joan Crawford, Jose Ferrer, Ronald Colman, Edward G. Robinson, Lee Cobb, and Vincent Price.

Taping of shows will give Hollywood stars and producers their biggest vacation year. Some programs are taped 10 in advance.

Knapp Awards Offered for High School Seniors

Forty-eight Knapp scholarships for study at the University of Wisconsin are available for pupils graduating from Wisconsin high schools this year.

The scholarships, from funds contributed by the late Kemper K. Knapp, prominent Chicago attorney and university alumnus, range from $250 to $500.

They continue for four years if the holders maintain high standards of study.

High school pupils may apply by completing an application blank obtained from the school pricipal and sending it, along with three letters of recommendation, to the Knapp fund committee at the university, before July 1, 1950.

Bird Study Group Hears 5 Madison Speakers

Five Madison residents will be among the principal speakers at the annual Wisconsin Society for Ornithology, Inc., convention to be held May 5-7 at the Point Beach state forest north of Two Rivers.

They are John T. Emlen, Robert Nero, L. R. Jahn, Arthur W. Jorgenson, and Walter E. Scott.

Liquor Fine Follows Death of Teen-Age Boy

KEWAUNEE —(AP)— A tavern-keeper was fined $150 Thursday for selling liquor to a minor as the aftermath of a teen-aged boy's suicide early Saturday.

The fine was assessed against August Miller of Tisch Mills who pleaded guilty before County Judge Aaron G. Murphy.

Dist. Atty. Frank R. Sennot said the charge was based on admissions by compainions of the dead youth, Adolph Tesarik, Jr., that they had bought beer at Miller's tavern.

Tesarik's death by a shotgun blast was pronounced a suicide.

Your Key to True Bourbon Flavor...
Old Style Sour Mash
Sour Mash bourbon is *not* sour. OLD FITZGERALD genuine Sour Mash is a special type of Kentucky whiskey, made and aged naturally, without scientific pressure or haste. It is the most expensive whiskey to produce because it takes more grain to make, more time to age—but the ultimate product is unsurpassed in full body and satisfying flavor. Sour Mash bourbon made Kentucky bourbon famous.
