JACOBY ON BRIDGE

By Oswald Jacoby -

The difference between proper play at rubber bridge and proper play at tournament bridge is clearly shown in today's hand, taken from Seattle's recent Northwest regional tournament.

Q 10 7 4 2 7 10 7 Tom Myers, of Seattle, led the four of spades from the West # 10 5 3 hand, and Dan Lefebvre won with

Lefebvre returned the eight of spades, declarer put in the nine, and Meyers won with the ten. Declarer was now marked with the king and jack of spades, so Myers shifted to the ten of hearts. 3 N. T.

Now declarer had a problem. He play for an overtrick. could surely win nine tricks by After some painful could surely win nine tricks by After some painful thought, putting up the ace of hearts and knocking out the ace of diamonds, queen of hearts. This lost to the production station, and other distances of interest.

But if he made only nine tricks king of hearts, and back came spots of interest.

But if he made only hine tricks king of hearts, and back came another spade.

The forty-two children earned came to New York Friday, but the tricks by means of a successten tricks by means of a successten tricks by means of a successthat was the end for poor the honor of coming by having only for a visit.

South. He could run five clubs, their drawings selected for honor of their drawings selected for honor of their order of their order of their families arrived by train for a year.

At rubber bridge nothing would without leading diamonds. matter but the safety of the contract.

The moment he led diamonds, Over 85,000 children are entainment tainment of course, West could take the rolled in the radio art course un. Their trip was sponsored by a diamond ace and as many spades der the direction of Schwalbach, number of New York business

could not afford to give up the as he still had.
