MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of backache, loss of pep and energy, headaches and dizziness, feeling up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years, while these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 13 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
