The Logs Researchers and Database compilers of the OTR Researchers Group have thoroughly researched this Old Time Radio Series, utilizing information found on the Internet, books published on this series and old time radio in general. They have determined that, as of January 30, 2010 this series is as complete as possible, with the most current information included as to broadcast dates, episode numbers, episodes titles, and number of episodes broadcast. It is possible that future versions could be issued if additional episodes in the mp3 format, better encodes, or additional information becomes available. In that event, future versions will carry an updated version number. Each file has been named in accordance with the Uniform Naming Code as based on the Otter on-line database found at -

The Old Time Radio Researchers Group now declares this series **Cavalcade of America** to be

CERTIFIED ACCURATE

It is highly recommended that any other version of this series currently in circulation be discarded as it more than likely contains some form of incorrect information such as duplicated episodes, incorrectly dated or titled episodes, or episodes belonging to another series. Help clean up problems, circulate only OTRR Certified Series.
