NEW YORK, July 7 (AP)—Eddie Cantor has a new job that will bring him back to NBC for another season. It is master of ceremonies of the long-running quiz show that made the 564 question famous—Take It or Leave It.

Cantor will replace Garry Moore, who has had the assignment since taking over from Phil Baker. Moore will sign off July 24 as the program takes a vacation. Cantor will go in when the show returns on September 11.

Eddie recently concluded with his Friday night sponsor, who decided to shift to the Life of Riley for the new season, with an added television version.

Summer scheduling continues into tonight with this realignment on three networks:

ABC—8 The Eye, detective drama, moved from Saturday into the Abbott and Costello time; ABC 8:30—Moon Mist, Canadian musical program, for Theater USA.

CBS—8 Broadway's My Best, theatrical district detective series revived to fill for FBI in Peace and War; CBS 9—Escape, adventure dramas in another revival as summer replacement for Suspense.

NBC 10—Fred Waring night show moved up 30 minutes; 10:30 Dragnet, police drama recently introduced as a Friday night replacement, moving to a new time.

Topics tonight (Thursday): NBC—8 My Silent Partner and Payne Emerson; 9 Nelson Eddy concert; 9:30 Dorothy Lamour finale.

CBS—7 Spin to Win quiz; 8:30 Mr. Keen Tracing; 9:30 Crime Photographer; 10:30 Blue Barron orchestra.
